

An aerial photograph of a city street, likely Champaign, Illinois. The street is lined with modern multi-story apartment buildings. A prominent feature is a large mural on the side of one of the buildings, depicting the Statue of Liberty. The mural is rendered in a soft, painterly style with a purple and blue color palette. The text 'LOVE WHERE YOU LIVE.' is overlaid in large, bold, yellow letters with a black outline. The background is slightly faded to make the text stand out.

LOVE WHERE
YOU LIVE.
